

Official Statement of Reseller Authorization

To Whom It May Concern:

This letter serves as official confirmation that High Wire Payments is recognized as an Authorized Preferred Reseller of Authorize.Net, a leading payment gateway service provider.

As an authorized preferred reseller, High Wire Payments is fully empowered to market, sell, and provide support for Authorize.Net's suite of payment gateway products and services. High Wire Payments has demonstrated a high standard of integrity, technical expertise, and commitment to merchant support, which has earned it the designation of preferred partner.

Through this reseller relationship, merchants who engage with High Wire Payments can expect access to:

- Seamless integration with Authorize.Net's payment gateway
- Competitive pricing structures
- Priority onboarding and support services
- Access to value-added payment solutions including fraud prevention, recurring billing, and secure customer data storage

This authorization reflects our mutual commitment to providing reliable, secure, and scalable payment solutions to merchants across a variety of industries.
